

Prince Obi

Junior Software Developer

👤 Profile

I've only recently entered the software engineering field after graduation. Nevertheless, I can guarantee to deliver high-quality work that is appropriate for my level of experience, and I am ready to pick up any necessary technologies. I am eager to demonstrate my abilities in a challenging setting.

💼 Employment History

Junior developer intern at Federal Ministry of Agriculture and Rural Development , Abuja

May 2021 — September 2021

- Supported in testing and engineering processes.
- Completed maintenance on existing programs.
- Worked closely with the product team on scope of future projects and innovations.
- Carried out continuous identification, measurement, and improvement of processes.

•
Key achievement: Identified and dealt with a significant process bottleneck that boosted coding efficiency by 25% when resolved.

🎓 Education

High School, Mea Mater Elizabeth High School, Enugu
